1. ☒ The amendment filed on 16 June 2009 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☒ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☐ disapproved. See explanation below.
- e) ☐ entered in part. See explanation below.

The amendment was entered because it improved consistency in claim language and corrected minor typographical/grammatic errors in the Specification and claims. The amendment to claim 21 was entered as it is an inherent limitation (not affecting claim scope) and it precisely matches the grammatical language of claim 1.
